Dear John M:

Congratulations, your company registered the Most SureStart PLUS™ warranty jobs in Indiana for 2018! Considering the number of other eligible contractors in Indiana, that is quite an accomplishment!

And, you'll be happy to learn that your company was the 202nd highest in North America for registering SureStart PLUS™ warranty jobs; you can be proud of the fact that you surpassed thousands of other roofing companies!

It gives me great pleasure when companies like yours put the SELECT ShingleMaster program to good use. We appreciate your utilization of the Integrity Roof System™ and SureStart PLUS; I'm sure your customers are grateful as well.

In recognition of your achievement, your Roofer's Rewards™ account has been credited with an additional \$2,000 that can be applied toward SureStart PLUS fees for jobs completed this year. Please accept these extra Roofer's Rewards as a token of our appreciation.

Thanks for your continued support of CertainTeed and have a profitable 2018.

Be Safe, Be Different and Be Profitable!

Sincerely,

Jay Butch
